## Directors' Review

The Board of Directors of **ZIL Limited** is pleased to present the Company's financial results for the half-year ended **June 30, 2026**.

### Company's Operating Performance:

The Company achieved gross sales of **PKR 4.9 billion**, representing a **9% year-on-year** increase. This growth builds on the momentum of 2025 and is reflective of consistent and sustained topline in a highly competitive business environment and strained consumer demand.

An unstable and challenging economic environment, driven by global conflict, rising commodity and raw material prices, resulted in a significant rise in overall costs, and margins remained under pressure as a result. Despite these challenges, proactive measures taken by the management enabled the Company to navigate through these challenges and generate a gross profit of **PKR 1,013 million**. The Company continues to track market developments and adopt innovative strategic plans to support long-term value creation.

The Company remains committed to strategic investments for long-term sustainability and growth of the business, however volatility in operating costs due to exogenous circumstances arising out of the global geopolitical situation impacted profitability and as a result, the Company reported an after-tax loss of PKR 46 million.

### Future Outlook

Pakistan entered 2026 with positive signs of economic stabilization and a favorable short-to medium-term outlook. However, the prolonged global conflict in the Middle East has introduced a significant external shock, resulting in higher oil prices, elevated inflation, and increased pressure on the external account, is impacting all industries.

Supply chain disruptions, logistical constraints, and global demand-supply imbalances drove cost escalation, particularly in key raw and packaging materials, leading to higher operating costs and inflationary pressures. These developments have compressed margins, necessitated pricing adjustments, and are expected to adversely impact the Company's performance in the coming quarter.

The Company's management remains focused and dedicated to implementing decisive, timely, and well executed strategies to address these market challenges. Our strategy focuses on enhancing value chain efficiency, strengthening brand equity, and building strategic partnerships with suppliers and customers.

#### **Acknowledgement**

The Board would like to express its sincere appreciation to the Company's personnel and leadership group for their commitment and diligence, which have significantly improved organizational performance. The Board also acknowledges Company's valued business partners, including distributors, financial institutions, vendors, customers, and other stakeholders, for their continued collaboration and confidence.

## **Independent Auditor's Report on Review of Condensed Interim Financial Statements to the Members of ZIL Limited**

### **Introduction**

We have reviewed the accompanying condensed interim statement of financial position of ZIL LIMITED ("the Company") as at June 30, 2026 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flows and notes to the condensed interim financial statements for the six-month period then ended (here-in-after referred as the "interim financial statements"). Management is responsible for the preparation and fair presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

### **Scope of review**

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

### **Other matters**

Pursuant to the requirement of Section 237 (1) (b) of the Companies Act, 2017, only cumulative figures for the half year, presented in the second quarter accounts are subject to a limited scope review by the statutory auditors of the Company. Accordingly, the figures of the condensed interim statement of profit or loss and condensed interim statement of comprehensive income for the three months period ended June 30, 2026 have not been reviewed by us.

The engagement partner on the review resulting in this independent auditors' report is Zulfikar Ali Causer.
